

Arizona College Track ID Camps and Townhalls

College Identification events are key to the exposure of players to candidate coaches and support staff members from Colleges and Universities from across the country. FCAZ hosts events annually - The Arizona College Track ID Camp in November and the ACT ID Camp in May. In addition to our own event the high-school aged teams within the club also participate in a combination of other Showcase events across the country. These Showcases are well attended by college coaches.

FCAZ hosts College Recruitment Townhalls which feature guest speakers that include staff members from NCAA Division I, II, & III as well as NAIA and NJCAA soccer programs. Additionally, members of our NPSL, UWS and UPSL teams present information and offer Q&A sessions available to all FCAZ players, parents and families.
